 - b.) Other changes to include having the Accreditation Team going to DAAAC (District Accreditation, Accountability, and Advisory Committee) from each school rather than coming to the schools.
Also trying to move up the timeline for the review process to January instead of March to allow schools time to use resources to improve on the problems sighted before the school year comes to an end.
 - c.) New goals set for the accreditation process are to have the schools performance and review be more authentic and realistic.
 - d.) CDE changes will not affect schools until 2009.
3. **District Parent Survey Project**
 - a.) DAAAC is putting together a survey called to be administered on www.surveymonkey.com. Parents can log on and take the survey. This survey tells DAAAC how parents perceive the performance of their school. All scales will be the same for each school. At the end of the survey will be an area with questions specific to each school.
 - b.) The key to this survey will be participation and awareness that is on-line.
4. Blue Ribbon Award given to Cheyenne Mountain High School. CDE nominates the school on their performance over the last 3 years.
