

***Cheyenne Mountain Junior High
Athletic Contract***

Cheyenne Mountain Schools have established certain rules, policies, and expectations by which all athletic participants (including managers) are expected to abide. To eliminate any misunderstanding about the rules and regulations below, the athlete and a parent/guardian must sign and return this form to the appropriate coach before the athlete may participate in sports.

Violations of the below policies accumulate during 7th and 8th grade years.

1. All Rules and policies of Cheyenne Mountain School District #12 must be followed.
2. Alcohol, tobacco, and/or drug violations will result in immediate suspension from athletic participation for a minimum of eight school days and up to a maximum of one calendar year.
3. Good sportsmanship and citizenship are expected of athletes at all times including at home, in school, at practices, at home and away contests, at restaurants, etc. Any disrespect to an adult or another athlete or any violation of behavioral expectations may result in removal from the situation and/or suspension from the team.
4. **All athletes must be passing all of their classes to participate in a contest and/or travel with the team. Eligibility will be checked by coaches every Friday. If a student is deemed ineligible (failing 1 or more classes) on a Friday, he/she will remain ineligible until the next Friday eligibility check. Ineligible athletes will be allowed to practice with the team unless otherwise decided by the coach.**
5. Personal items such as sports equipment, clothing jewelry, electronic equipment, etc. are the responsibility of the athlete.
6. Parents/guardians are responsible for picking up athletes **immediately** after each practice and game. If an athlete is repeatedly picked late, he/she may be removed from the team.
7. If it is determined that an athlete violates any of the above policies and/or expectations, the coach will notify a parent/guardian of the infraction and subsequent consequence. If parents/guardians wish to appeal a coach's decision, they may set up a meeting with the coach and athletic director.

I have read, understand, and agree to the terms of the Cheyenne Mountain Junior High Athletic Contract. I accept the expectations and responsibilities and am willing to contribute to a successful year in CMJH's athletic programs.
